

The Maroon 1966

Dedication

A L M A M A T E R

We salute your proud past. We have learned the meaning of loyalty... the value of friendships...the glory of victories that triumph over past defeats.

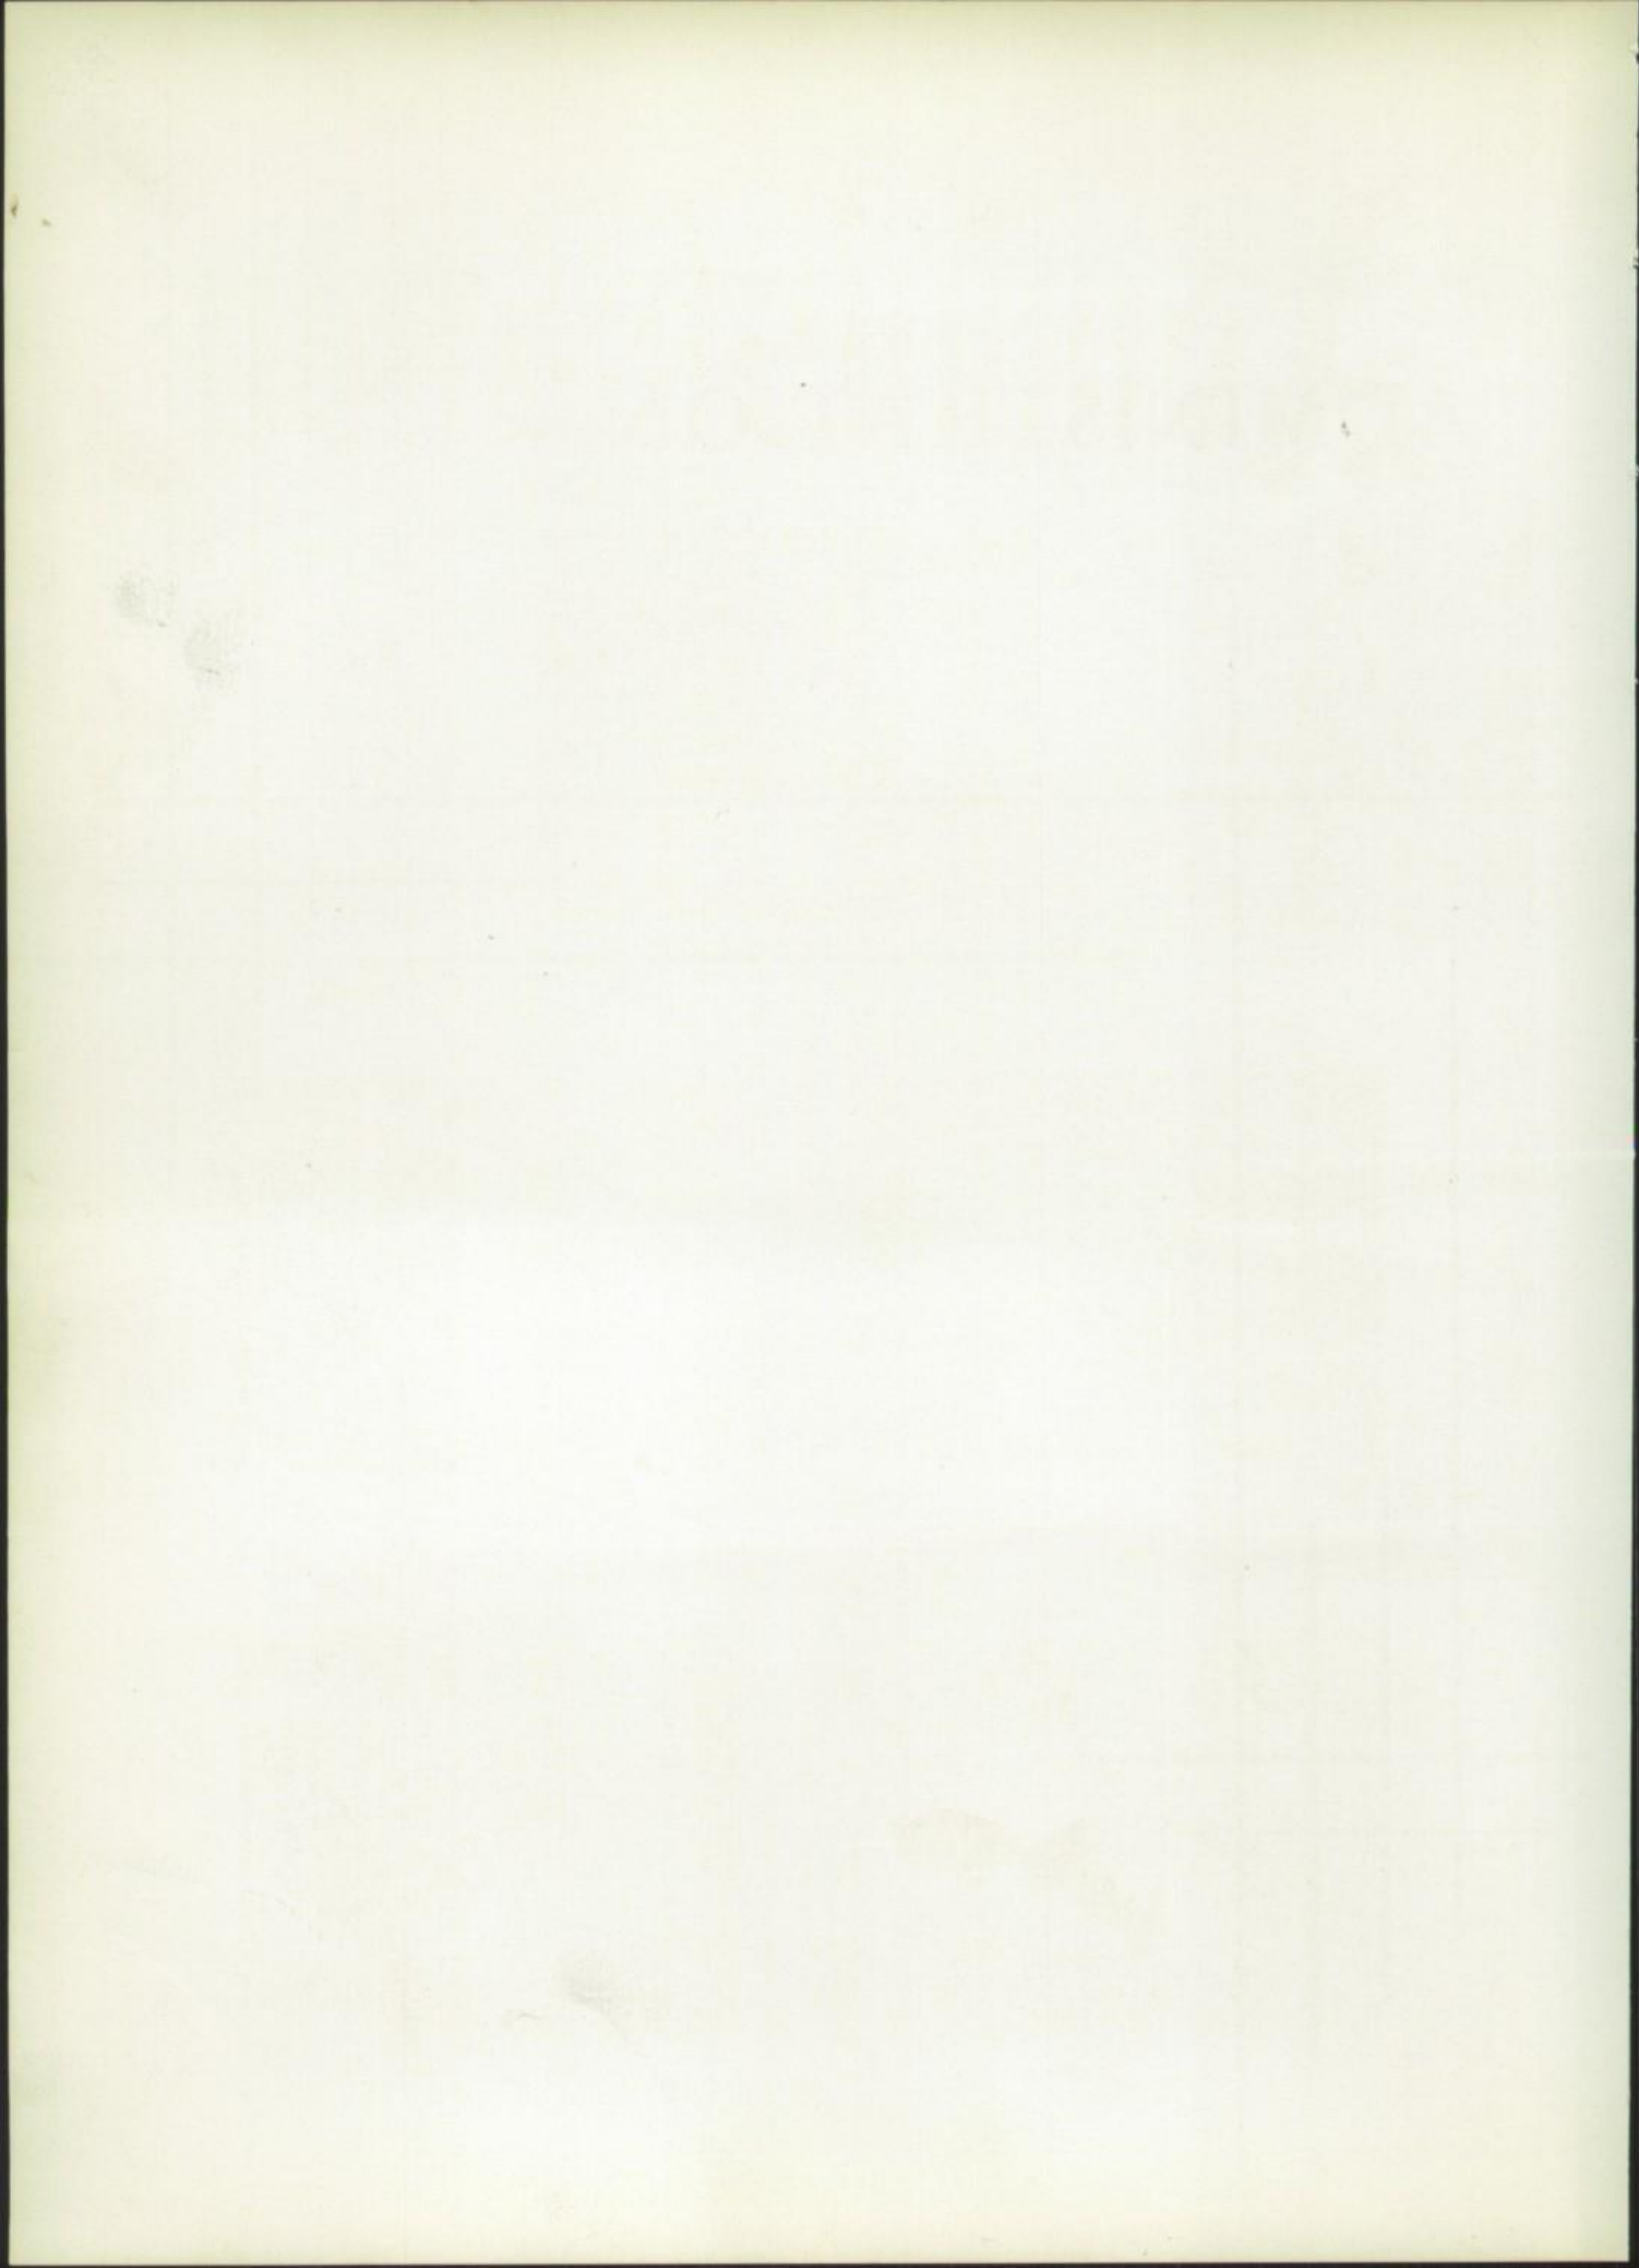

You have prepared us for the years to come...and it is with humility and gratitude that we resolve that our future achievements shall add honor to your name.

We consider it a privilege to have been students of D.H.S....and it is with deep gratitude and devotion that we dedicate, this our 1966 Maroon.

Dear Seniors of 1966,

As we come to the close of this school year, there is a touch of sadness in our hearts. You are the last Senior Class to graduate from Delphos High School.

The past 2 years have been very enjoyable for me. I am very proud to have been associated with such a fine group of students as we have here at Delphos High School. I sincerely hope that your dreams of today will become a reality in the future.

Sincerely,
Ed Stehno
Superintendent

Secretary

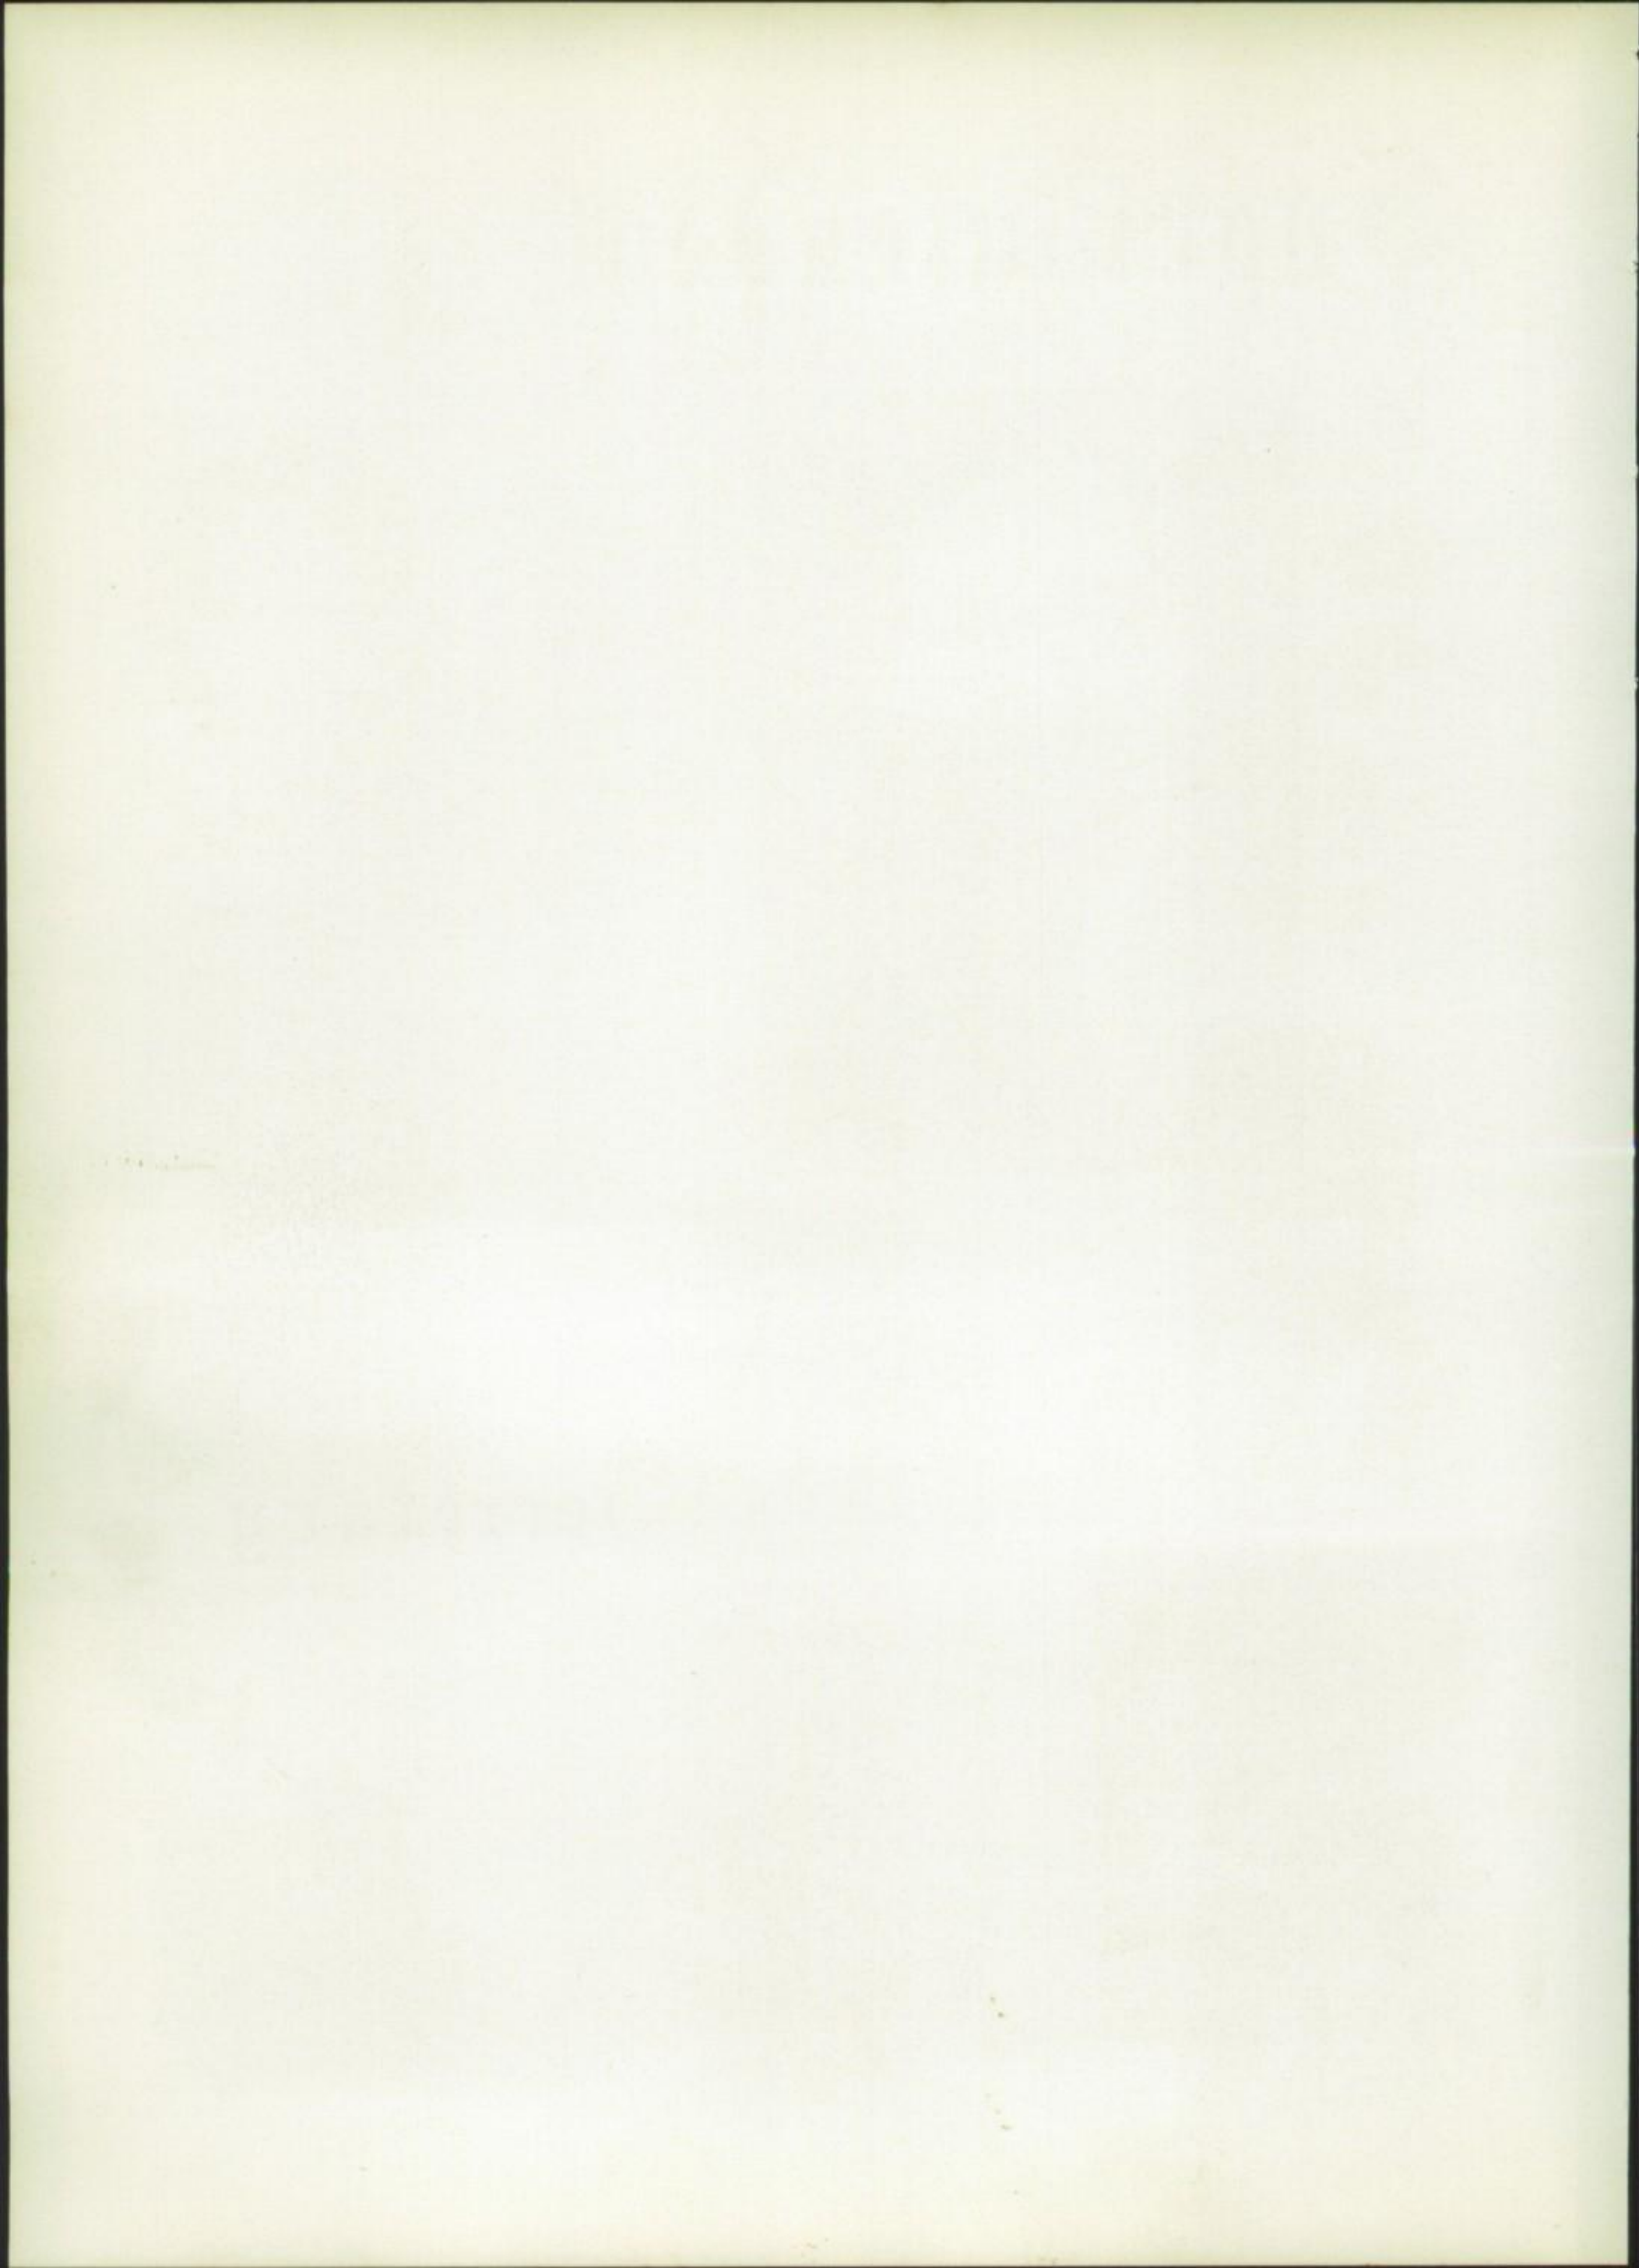

We would like to take this opportunity to thank you for all the help you've given us during our four years of high school. We truly appreciate all your efforts whether or not we have expressed our feelings. Your guidance and encouragement will be an influence to us for the rest of our lives.

Season Reflections

This 1965 season for the Maroons, although not perfect, might be termed successful. The mighty Maroons were full of scrap and determination with loyalty towards each other and admiration for Coach Hendrix. The squad, which was 15 strong, averaged 145 pounds and consisted of two Seniors, five juniors, six sophomores, and two freshmen. Several of the games were close contests and all of the games found the Maroons digging and scraping for every yard.

Reflections

We pause for a second to reflect on the scene memories of friends, teachers, places, happy faces and work and play from which we will soon be departing. All this made up a part of our lives.
